See you May 5<sup>th</sup> for a great 100 year party! Come casual! Pass this on to all your friends! Everyone is invited, you need not be a graduate to attend...alumni, spouses, significant others, friends, staff...*trying to invite as many teachers as possible!* Remember you are all alumni association members. There are no dues, donations are the sole funding for the alumni group. We have a collection of yearbooks for display but don't have all year's, so bring yours. Just be sure you take it home.
