

To access student routing information through the **Ride 360 website**, do the following:

1. Go to usd437.net/transportation.
2. Under Ride 360, click on the [Log In/Register](#) link and select “**Register**”.
3. After registering, you’ll receive an email confirmation. The provided link will require you to confirm your registration through the Ride 360 website.
4. Log in to the website, and then add your child by going to **My Students** and select the “**Find Student**” button
5. Enter your student’s **school ID number** (available through [Infinite Campus](#)). Repeat this step to find additional students.
6. When all students are added, you can then view transportation information for each of your children.

If you’d like to share a student link with another person:

1. Select your student and click the student options button in the lower-right corner.
7. Choose which students to share, then enter the email address of the person you’d like to share with.
8. That person will receive a confirmation email which will then automatically link the student to that user. They will be required to register with Ride 360 if they haven’t already done so.
